

## **CALIFORNIA Battery Statement**

Avaya uses SIMS Recycling Solutions, Inc. for battery take-back and recycling in California.

Please contact your Avaya Representative or the following associate for region specific information regarding where and how product take back processes work:

Nabhomani (Nab) Aggarwal for North America Region (NAR): [naggarwal@avaya.com](mailto:naggarwal@avaya.com)

When providing products back to Avaya for end-of-life treatment, you are responsible for removing all personal data.
